

Research Ethics Board

September 16, 2013

Dear Ryan Maksymic,

RE: OCADU 127, "Interactive Technology for an Enhanced Live Music Performance."

The OCAD University Research Ethics Board has reviewed the above-named submission. The protocol and the consent form dated September 16, 2013 are approved for use for the next 12 months. If the study is expected to continue beyond the expiry date (September 16, 2014) you are responsible for ensuring the study receives re-approval. Your final approval number is **2013-33**.

Before proceeding with your project, compliance with other required University approvals/certifications, institutional requirements, or governmental authorizations may be required. It is your responsibility to ensure that the ethical guidelines and approvals of those facilities or institutions are obtained and filed with the OCAD U REB prior to the initiation of any research.

If, during the course of the research, there are any serious adverse events, changes in the approved protocol or consent form or any new information that must be considered with respect to the study, these should be brought to the immediate attention of the Board.

The REB must also be notified of the completion or termination of this study and a final report provided. The template is attached.

Best wishes for the successful completion of your project.

Yours sincerely,
